

Prime White

Ultra smooth
and brilliant white

Improves your quality. Saves your time.

Save money, save time.

Paint brushes
not **included**

Trafalgar spindles
and 90mm newels

Superior White Prime.

Prime White, a complete range of ready primed stairparts that will improve your quality and save you time and money. It makes sense. Just look at the benefits:

- Made from hardwood not softwood
- Exceptional finish – readily accepts a further gloss coat
- Improves your quality dramatically
- Saves you time
- No need to tie up space in your workshop or on site for priming
- You can utilise your workforce more effectively
- Simplifying your workflow
- A time and cost saving benefit to any house builder
- 82mm and 90mm newels. Choice of spindles and caps
- Hand rails available in primed timber, or natural Oak, Ash, and many other timbers

Ready Primed spindles, newels, caps and rails

Clive Durose manufacture many designs of stairparts in various timbers for residential and commercial applications.

If you would like to know more about Prime White stairparts or wish to receive details of our other contemporary or traditional ranges contact the Clive Durose sales team.
